Dear Demetriades, Sophia:

Come see local entrepreneurs pitch to an expert panel and win prizes. Participate in interactive panel discussions and hear riveting talks.

The theme is 'Go Asia – Opportunities & Challenges for Entrepreneurs', showcasing international experienced entrepreneurs and in-market experts.

It will be a day filled with energy and valuable networking!

Entrepreneurs who enter to pitch will be eligible for the *TiE International Business Plan Competition*. Ventures assessed to have potential in Asian markets will be selected for the Go Asia Program for additional benefits.

Everyone is welcome to TIECON, but ONLY TiE members are eligible to pitch so purchase a TIECON ticket for entry today!
Overseas Members may enter to pitch remotely via Google Hangout.

The TiE International Business Planning Competition is an opportunity to compete with Asian TiE entrepreneurs in New Delhi in February 2014!
Go Asia program members will get feedback on the potential for their venture in specific Asian markets and get connected with members in the relevant TiE Chapters to support market entry.
